Date of Request _____

As General Contractor for the above-listed building project, I request approval from the Town of Jupiter Island prior to the issuance of a certificate of Occupancy ("C.O.") to allow the early installation of an electric meter beginning on _____ (Date), not to exceed ninety (90) days.

I have personally inspected the proposed meter installation and have secured the attached certification from our licensed electrical contractor as to the project's safety and readiness to accept the early meter hook-up. I accept full responsibility and liability for any property damage or personal injury which may result from this early hook-up. I assume full responsibility and liability for any property damage which may result from any power termination during the early power time period detailed above. I hereby agree to indemnify, defend and hold harmless the Town of Jupiter Island, Martin County, Florida, its officers, employees, agents, contractors or their representatives in both their official and individual capacity, from any and all liability, claims, damages, expenses including attorney's fees and litigation costs, resulting from or arising out of the approval and installation of the early power at the above-mentioned property. Violation of this agreement shall permit removal of such early power without warning or requirement of notification.
